Medical Science Lecture Series

In 2012, Okayama University Graduate School of Medicine, Dentistry and Pharmaceutical Sciences has started Medical Science Lecture Series that will be provided by internationally recognized researchers in this graduate school. Those lectures will be conducted in English and be counted as your fulfillment of your requirements for graduation. Please check when and where the lectures will be held. The graduate school is waiting for your attendance.

Date	Day	Start	End	Room	Lecture ID	Title	Department	Lecturer
May 24	Thu	18:45	21:00	Lecture Hall for Clinical Medicine 2F Room 2	A-1-5	Research and education in basic medicine	Pharmacology	Prof. NISHIBORI Masahiro
May 25	Fri	18:45	21:00	Lecture Hall for Clinical Medicine 2F Room 2	A-11-5	Analysis of biological function using specific inhibitor	Pharmacology	Prof. NISHIBORI Masahiro
May 28	Mon	18:45	21:00	Lecture Hall for Clinical Medicine 2F Room 2	A-6-3	Lipid metabolism	Cell Chemistry	Prof. MATSUURA Eiji
May 29	Tue	18:45	21:00	Lecture Hall for Clinical Medicine 2F Room 2	A-7-2	Oxidative stress	Brain Science	Prof. ASANUMA Masato
May 30	Wed	18:45	21:00	Dentistry Bld. 4F Room 1	A-12-3	Electrophysiological analysis of central nervous system	Oral Physiology	Prof. MATSUO Ryuji
May 31	Thu	18:45	21:00	Lecture Hall for Clinical Medicine 2F Room 2	A-11-4	Method for Simulation Study	Cardiovascular Physiology	Prof. TAKAHASHI Ken
June 1	Fri	18:45	21:00	Lecture Hall for Clinical Medicine 2F Room 2	A-11-2	Neurotransmission	Biochemistry	Prof. TAKEI Kohji
June 6	Wed	18:45	21:00	Dentistry Bld. 4F Room 1	A-15-2	Morphology of tooth and periodontal tissue	Oral Morphology	Assoc. Prof. Ikegame Mika Prof. Yamamoto Toshio
June 7	Thu	18:45	21:00	Dentistry Bld. 4F Room 1	A-15-5	Spectrometric Identification of Organic Compounds	Biomaterials	Prof. MATSUMOTO Takuya
June 8	Fri	18:45	21:00	Dentistry Bld. 4F Room 1	A-15-7	Clinical Research Designing -to get concrete knowledge for world-level clinical studies	Oral Rehabilitation and Regenerative Medicine	Prof. KUBOKI Takuo
June 11	Mon	18:45	21:00	Dentistry Bld. 4F Room 1	A-15-10	Structures and characteristics of dentin/pulp complex	Operative Dentistry	Prof. YOSHIYAMA Masahiro
June 12	Tue	18:45	21:00	Dentistry Bld. 4F Room 1	A-16-1	Molecular biology of calcified-tissues	Biochemistry and Molecular Dentistry	Assoc. Prof. KUBOTA Satoshi

Cancellation of the class, changed date or lecture room will be informed on our website. Please check the website regularly. (<http://www.hsc.okayama-u.ac.jp/mdps/huhouron.html>)
